GOOD GOLF, GREAT DRINKS

For us, some of the best moments in golf happen after the final putt. Whether it's reliving your best shots, debating the tricky ones or simply catching up with friends over a well-earned drink, that post-round social is all part of the experience.

That's why we've carefully curated a menu bringing together some of our favourite local partners, alongside a few of our own favourites.

From locally sourced Newground coffee to beers brewed right here in Oxford by our friends at Tap Social, there's plenty to discover. Our wine selection has been hand-picked with the help of The Oxford Wine Company, and with a great range of no and low-alcohol options, including 0% beers and mocktails, there's something for everyone.

Fancy something a little different? Give our spritzes and cocktails a try, we're big fans of the Putt-loma and Espresso Mar-tee-ni!
