CELEBRATE THE SLICE.

That’s our motto.

Golf is often seen as a game of perfect swings and scores. But the truth? The best moments on the course aren’t the flawless shots, they’re the laughs, the shared stories, and the time spent switching off from the rest of the world. That’s the part that really matters.

Slice exists for that reason. We wanted to create a place where everyone, whether seasoned golfers or complete beginners can play, improve, fail, laugh, and enjoy the game without judgment. And because great golf deserves great hospitality, every visit comes with our legendary New York style pizza slices, sumptuous side plates, and expertly crafted drinks to make the experience complete.

Our mission is simple: bring more people into the game, give them a space to celebrate it, and make sure every visit leaves them smiling, on and off the course.
